## NEW FRONTIER PUBLISHING

*Dear Valued Customer,*

Thank you for supporting Literacy Library Orders by New Frontier Publishing.

We are currently planning our standing orders for 2023 / 2024. As always, our selections will give you the best children's book New Frontier Publishing has to offer.

### *What is Literacy Library Orders (LLO)*

Literacy Library Orders (LLO) is an alternative to book buying designed especially for Primary School libraries. We are a subscription service offering the best new releases from award-winning children's publisher, New Frontier Publishing, together with comprehensive teacher notes which provide additional resources for classroom activities and discussion.

For 20 years we have been publishing books to help every child become a reader. We publish books that are shortlisted and win awards.

As part of your subscription each month you will receive five books for your library with additional reading resources for your classroom. The subscription runs for 10 months of the year, e.g. September 2023-June 2024. Price for annual subscription is £275.

### *The Many Benefits of Subscribing*

We'd like to take this opportunity to remind you of the many benefits you receive if you choose to subscribe to our standing orders. The Primary School Subscription includes the following:

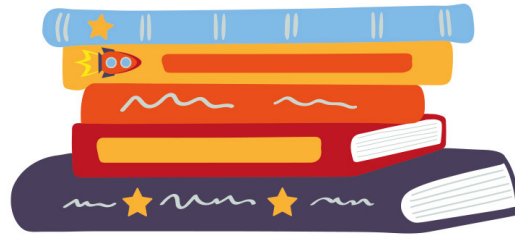

- Each pack contains a selection of picture books and fiction titles
- Titles are selected on literary merit
- Teacher notes accompany each title
- View the books at your own leisure without leaving the library
- All book packs are postage-free
- All selections are discounted

### *How to Subscribe*
